"It was a one-of-a-kind experience! **I made lifelong friendships, explored my future field of study, and had tons of fun.** The mentors were always there to help, and the organization team went above and beyond to ensure we enjoyed ourselves. The knowledgeable teachers and teaching assistants were always ready to assist. The trips, activities, and parties created unforgettable memories. I smile just thinking about the friends I made and the fun we had. **I'd do this summer camp a thousand times over if I could. It was the highlight of my summer!**"
